

GENHevac B (hépatite B)

le 28/10/95 *nc*
Prebasque infirmière

le 6/12/95 *nc*
Prebasque

le 8/6/96 *nc*
Prebasque infirmière

The image shows three GenHevac B vaccine labels. The first label (top) has handwritten date 'le 28/10/95' and note 'nc Prebasque infirmière'. The second label (middle) has handwritten date 'le 6/12/95' and note 'nc Prebasque'. The third label (bottom) has handwritten date 'le 8/6/96' and note 'nc Prebasque infirmière'. Each label includes the text: 'PASTEUR VACCINS', 'GenHevac B', 'Vaccin contre l'hépatite B', '1 dose = 0,5 ml', 'VOIE INTRAMUSCULAIRE', and 'VOITER AVANT EMPLOI'. The labels also feature lot numbers (Y 016, Y 0167 3, Z 0029 4) and expiration dates (07 96, 08 96, 02 97).

The image shows a medical certificate from Centre Medical d'Ornon, dated 10/07/2018, signed by Christophe Bedou. It lists 'REPEVAX : 1 bte' and 'PRIORIX : 1 bte'. Below the text are two vaccine labels for REPEVAX. The first label is printed with 'REPEVAX®', 'Lot P3C301V', and 'EXP 11-2019'. The second label is a smaller sticker with the same text and a handwritten date 'le 14/8/2018' written over it.
